

## Getting Started

---

### What is Pronunciator?

Pronunciator is an online language learning system with 100 language courses and 63 English courses. Pronunciator offers personalized language courses, feature films, quizzes, downloadable audio lessons, and much more!

## Accessing & Searching

---

### Logging On

#### Computer

1. Visit the library website and select **eResources**.
2. Select **Pronunciator**.
3. Log in with your **library card barcode number** and **PIN number** (if you do not know your **PIN number**, contact your local library).
4. If you are a first time user, select **Register** to create an account and save your progress. If you do not want to save your progress, select **Instant Access**.

#### Mobile Device

1. Download the **Bluebird app** from the Apple App Store or Google Play.
2. Open the app. If you have used Pronunciator before, select **Log in**.
3. If you have not used Pronunciator before, click **Get Started**.
4. Enter your **email address** and create a **password**.
5. Check the box that says **I am an institutional user and have a PIN code**. Enter **MARI** and click **Sign Up**.

### Choose Your Course

Once you have created an account, you can start exploring the course options.

1. Choose a language that you want to learn.
2. Choose the type of course you want to take.

### Daily Lessons
